**APPELLANT APA'S STATEMENT OF ISSUES ON APPEAL  
AND DESIGNATION OF ITEMS TO BE INCLUDED IN THE RECORD**

Pursuant to Fed. R. Bankr. P. 8006 and Local Bankr. R. 8007-1, the Allied Pilots Association (“APA”), Plaintiff-Appellant in the above-captioned adversary proceeding, respectfully submits this statement of issues to be presented and designation of the items to be included in the record on appeal.

**I. Issues Presented**

- 1) Given that the 2003-2008 CBA between the APA and American expired by its own terms on May 31, 2008, when the contractual conditions for expiration were intentionally met by American's timely service of a notice forestalling any subsequent renewal of the contract, may a bankruptcy court refuse to give effect to the CBA's express duration and renewal language and, instead, deem APA and American to be party to a current contract that may be assumed or rejected under 11 U.S.C. §1113?

2) Does Section 1113(c) of the Bankruptcy Code authorize the Debtors to “reject” the objective post-expiration working conditions imposed by federal law on both American and its pilots as part of the status quo under the Railway Labor Act?

## **II. Designation of Record**

The APA designates the following items for inclusion in the appellate record. Unless otherwise noted, all references are to docket entry numbers of electronically filed documents in Adversary Proceeding No. 12-01094 (SHL).
